## International Payment Options

These are the options for payment **if you are unable to use our online booking service**. The cheapest option may differ depending on which country you live in and you should check with your bank which one is the best way. Please note that there may be additional charges made by your bank or post office, which we cannot advise on.

Please allow enough time for payments to reach us by the due date. Direct transfers often take 3-5 days. Postal delivery times will vary depending on which country you are in.

### 1. Cash by post

This may be the cheapest way if your post office will allow you to send cash by recorded delivery. Please **DO NOT** send cash by normal delivery as we cannot be responsible if it does not arrive, and do ensure that the postal method includes the correct insurance value. Cash payment must be in **POUNDS STERLING** (£GBP) only.

### 2. Direct transfer

For this option please **add £15 to the course fee** (international transfer charge). There will also be a local charge made by your bank for this service.
